

THE ELITE ADVISORS *of* RAYMOND JAMES

Kyle Gearhart, CFP®, CRPC™
Managing Director
Senior Vice President, Investments

Kyle Gearhart, CFP®, CRPC™, managing director of Raymond James & Associates, was honored to be named to the list of the Raymond James Global Top 50 Advisors.

Kyle Gearhart of Terrace Park, Ohio, was chosen to be part of a select group of financial advisors to attend the first ever Raymond James Global Top 50 conference.

The conference, which was recently held at The Hay-Adams Hotel in Washington, D.C., was designed exclusively for the firm's top-performing advisors and brought together professionals from across the United States, Canada and the United Kingdom.

In addition to advanced education sessions and hands-on workshops, attendees had a wealth of networking opportunities with one another and with Raymond James senior leaders. Speakers included former Federal Reserve Chairman Alan Greenspan, Ph.D., and Emmy Award-winning journalist Cokie Roberts.

Greenspan shared stories and his views on current events and what may happen next, and Cokie Roberts brought her keen political eye and perspective to the issues currently facing lawmakers.

"This was an exciting opportunity not only for our firm to recognize top advisors for the 2015 fiscal year, but also to establish a new tradition with this one-of-a-kind conference. We were delighted to share this event with Mr. Gearhart and all the other attendees," said Raymond James CEO Paul Reilly.
